

Well, gang, it looks like another study for the "Armor of God" is here.

Well, Flipster and Polly that shield really looks awesome, but it's all about our protection. You can find this in Ephesians 6:16 "Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked."

Yes, it does Hairdo. That shield really looks cool, too. Right Polly?

Yeah, Flipster it's a pretty shield. I just wonder what it all means for us though?

The shield is like a representation of Isaiah 54:17 "No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the LORD, and their righteousness is of me, saith the LORD."

Yes, there is more about the shield and it's protection. God wanted us to know that he will go before us and open a path of protection as we believe on him and our journey in life will have more peace and it will help us overcome our fears by knowing his protection is ahead of us at all times. Let me go and get my shield to show you how it can protect you.

Wow! God is really interested in keeping us safe before something does happen to us then.

It's so wonderful to have such protection, but is there more to this?

Notice when I kneel down and put the shield over my head it is cover me to protect me from things falling on me such as those "fiery darts" or "weapons" mentioned in Ephesians 6:16 and Isaiah 54:17. Now, all I need to do is trust my shield to protect me and that's what the Lord wants us to do is trust him. It also reminds me of this scripture in Proverbs 1:33 "But whoso hearkeneth unto me shall dwell safely, and shall be quiet from fear of evil."

Gee! I didn't realize it, but the more we study about his armor of protection we become stronger and stronger because of him protecting us.

I am beginning to see it, too. God's protection over us is so awesome.

Great job Captain Royalheart on the demonstration and the scripture; it helps out showing us that the Lord does go before us and is already protecting us.

Gang, we need to thank God every day that his protection can go before us and keep us protected at all times. It's time to begin walking and trusting in him and his word at all times. Thank you, Lord for going before me and protecting me at all times. In Jesus name.

Lord, I thank you as well for the shield you have given me to use to protect me from the attacks of the enemy while I am at work.

I want to thank you, too, Lord. I really enjoy your protection over me.

Me too, Lord. It feels so good to know that your protection keeps me so safe. Thank you Lord.
