The Sword The Word

Breastplate of righteousness

Look Flipster, it's a new study for the Armor of God.

Oh wow, prayer is even a part of the Armor of God. We don't wear prayer. We are talking when we pray.

Yes Polly, It is a new study. Your right Flipster, we don't wear prayer but prayer is the biggest part of our battle and it is tied with the Armor of God passage. Ephesians 6:18 "Praying always with all prayer and supplication in the spirit, and watching thereunto with all perseverance and supplication for all saints;"

Why did we have to learn so much about the main parts of the Armor then?

Yeah Hairdo. I am thinking the same thing Polly is thinking.

Well gang, we needed to know the other parts so we're more prepared. We needed these things to protect ourselves from the enemy as well as the tools to win our battles through our prayer time. The most important part of our battle is really speaking the word of God. Ephesians 6:19 tells us this "And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel," See these words help defend us from the enemy's attacks as much as it's to help us get our blessings during prayer. So, it's the very words we speak that help our victories come through.

Hairdo can you give us an example to see prayer working for us like this.

Yeah Hairdo. I would like to see an example as well.

Sure, I will. Let's take James 4:7 "Submit yourselves therefore to God. Resist the devil, and he will flee from you." See when we submit ourselves to the God's word we coming into an agreement with his word. That means we agree to putting on the Armor of God to protect us and then turn around use the word to stop the enemy. That's why we see the words "he will flee from you." We have to understand that when we submit to his word or his ways it's to help us to get our blessings.

Hey gang always remember when we become a child of God, we can use his words to fight our battles to stop the enemy and to get our victory that we need which is a part of our blessings. Ephesians 6:20 tells us we can speak his words. "For which I am an ambassador in bonds; that therein I may speak boldly, as I ought to speak." Thank you Lord that your word works for us. We give you praise and glory for the power of our words taking place in our lives. In Jesus name, Amen.

Yea! We get to win with God's word. Thank you Lord for your word today. In Jesus name, Amen.

Yes Lord, thank you that your word is more powerful than the enemy and it will allow us to win over the enemy. In Jesus name, Amen.
