

Warrior of God Church

Boy oh boy! I want to be a warrior and defeat the enemies. I wonder where I could join something to defeat, my enemies?

Did I hear you, right Dude? Do you want to be a warrior to defeat the enemies? Then let's talk. They become warriors inside here.

Hey, Captain Royalheart. This fellow wants to be a warrior. Can you tell him how to be a good one?

Yes! I do want to be a warrior. My name is Bravery. I want to be the best warrior in my unit. Can you really teach me how to be a warrior sir? How can I be the best?

Yes. I can teach you Bravery. You must remember you have to learn many things to become that good warrior. By the way, Hairdo thank you for bringing him in.

Yeah! Let's get training. I'm ready to fight. What is there to learn? Just go and defeat them. It's simple.

Hold-up Bravery! I thought the same thing. There is more to it.

You must learn your weapons, strategies, and carry the right attitude. Read Ephesians 6:10-20; Galatians 5:22-26 can help you with this. You must learn to trust what you're taught to be a good warrior. Let me show you the battle room doorway.

You can only go to the doorway and not pass it. You must learn what I told you and be serious about this also. This area is for real warriors who have understood the lessons I told you about. Your training begins in the classroom.

Each item is very important to become a strong warrior for battle. Find someone to help you with those areas.

Wow! I need to get serious about learning. I want to be that great warrior to enter in that room.

Thanks, Captain Royalheart for the scriptures and pointing out what it takes to be a great warrior.
