

Flipster it's my turn now. I would like to go next before one of my parents call me before we leave church.

NO! I am not going to share. I was here first and that is it.

Flipster, it's not your swing! I am going to tell Hairdo you are not sharing and being mean.

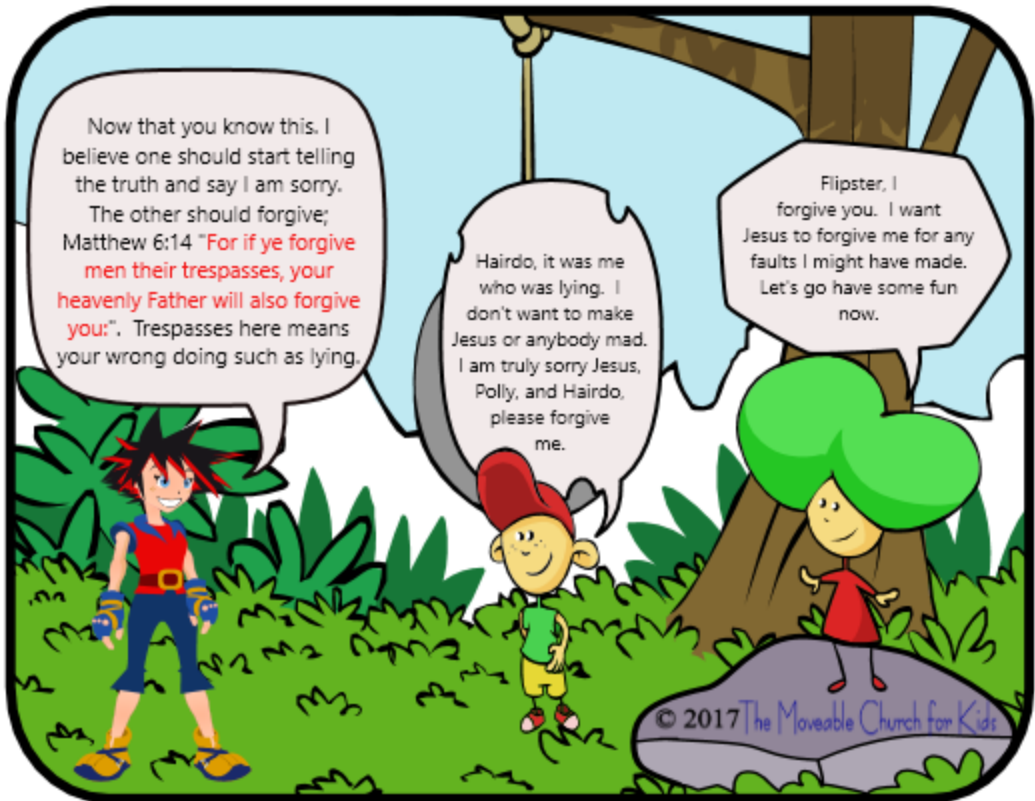

I will DENY it. Now just LEAVE me ALONE while I am trying to swing.

**Hairdo!** Flipster is not being nice at all and not wanting to share either.

I was not mean or hateful. I never said I would not share either.

Calm down you two. Someone is lying. Proverbs 12:22 says "Lying lips are abomination to the Lord: but they that deal truly are his delight". This means liars make Jesus mad; those who speak truthfully makes him happy.

Now that you know this. I believe one should start telling the truth and say I am sorry. The other should forgive; Matthew 6:14 "For if ye forgive men their trespasses, your heavenly Father will also forgive you:". Trespasses here means your wrong doing such as lying.

Hairdo, it was me who was lying. I don't want to make Jesus or anybody mad. I am truly sorry Jesus, Polly, and Hairdo, please forgive me.

Flipster, I forgive you. I want Jesus to forgive me for any faults I might have made. Let's go have some fun now.
