

Hairdo! Me and Polly enjoy Christmas presents, stocking stuffers, the food, and being with family and friends.

Yeah! We enjoy playing in the snow. Like making snowmen, snow angels, and sledding, too.

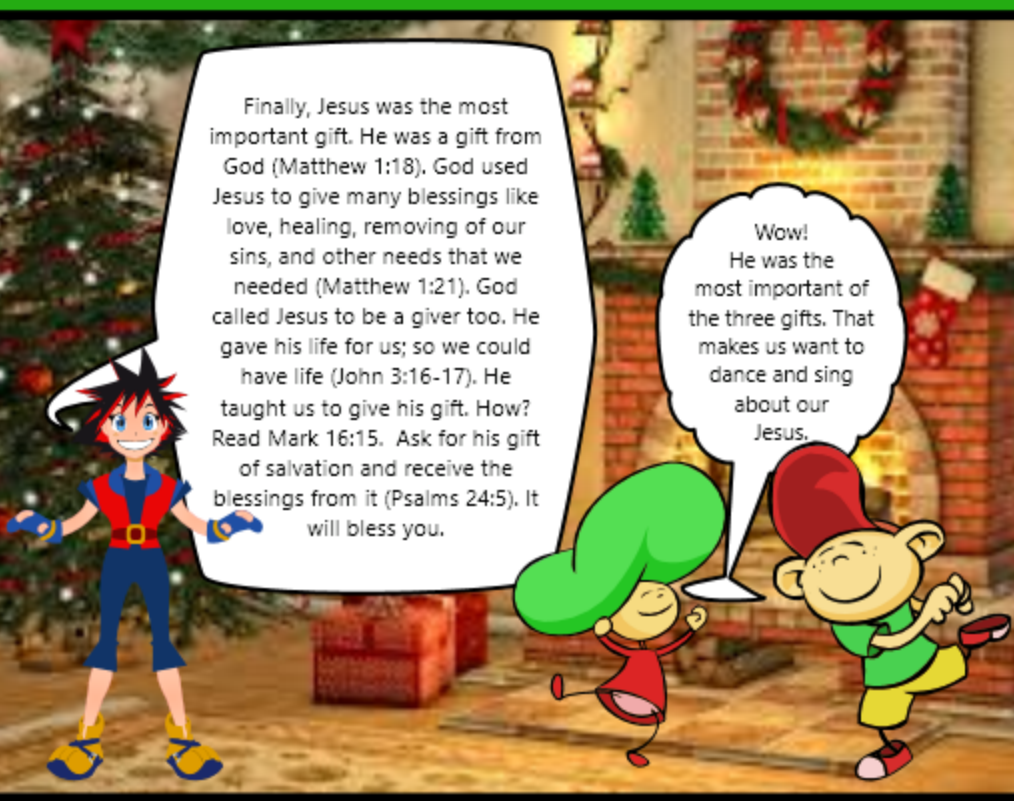

That's great gang. You need to know that those things are a blessing. There are three important gifts you need to know. One is greater than the other two though. Make sure you read the scriptures I give you.

Let's name the first two important things. First, Polly! God wanted us to enjoy the snow it was his plan for the four seasons. Read Genesis 1:14; 8:22 and Psalms 74:17. Second, Flipster! Read in James 1:17 God wanted to bless us. He also wanted us to be givers like the wise men giving to Jesus in Matthew 2:11. Read in Luke 3:11 and you will see; he uses us as givers.

Wow! Thank you God for the seasons so we can have fun in the snow.

Yeah! Wow! God really loves blessing us. We need to be like him. That way we can bless others.

Finally, Jesus was the most important gift. He was a gift from God (Matthew 1:18). God used Jesus to give many blessings like love, healing, removing of our sins, and other needs that we needed (Matthew 1:21). God called Jesus to be a giver too. He gave his life for us; so we could have life (John 3:16-17). He taught us to give his gift. How? Read Mark 16:15. Ask for his gift of salvation and receive the blessings from it (Psalms 24:5). It will bless you.

Wow! He was the most important of the three gifts. That makes us want to dance and sing about our Jesus.

Merry Christmas Everybody. From the The Moveable Church Gang.
