

Hey Gang, I noticed you see another teaching about Israel. We have recently talked about praying for Israel. So, do you know why we should be praying for Israel?

It's true gang, we can find that Israel is the apple of God's eye and his protection is over them in Zechariah 2:8 "For thus saith the Lord of hosts; After the glory hath he sent me unto the nations which spoiled you: for he that toucheth you toucheth the apple of his eye." This was to let everyone know you shouldn't come against Israel.

Well the sign says it's "The Apple of God's Eye."

Yeah, Hairdo. How do we know that this is true?

That's right God made a everlasting covenant with Israel. Genesis 17:7 "And I will establish my covenant between me and thee and thy seed after thee in their Generations for an everlasting covenant, to be a God unto thee, and to thy seed after thee."

Yes, that is an awesome covenant Flipster. Polly the answer to your question is yes. Genesis 17:8 tells us "And I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God."

Wow! That's an awesome covenant he made with his people.

So, does this mean they will always get to keep that land?

That reminds me Word Trooper about the verse out of Leviticus 25:23 "The land shall not be sold for ever: for the land is mine; for ye are strangers and sojourners with me. We have to understand God was taking his people to their promise land that he had designated for them. It also required them to trust God.

We do get to be a part of that same covenant as well. We can find this in Ephesians 3:6 "That the Gentiles should be fellowheirs, and of the same body, and partakers of his promise in Christ by the gospel:" When we accept Jesus as our Lord Savior with all of our heart we get to be a partaker of that covenant as well.

Do we get to be a part of that promise land as well Hairdo?

Yeah Hairdo, I would like to know the answer to that, too, since we are supposed to be praying for Israel.

God always intended to protect and keep his people safe at all times. The great news is we get to be a part of that as we pray for Israel. I would like to thank God for always keeping an eye on his people and keeping them protected at all times. In Jesus name. Amen.

Thank you Lord for showing us how important Israel is to you. This will help us to remember to pray for Israel. Thank you for blessing Israel and for those who bless Israel too. Lord, continue to pour out your blessings over Israel and those who will pray and bless Israel. In Jesus name. Amen.

Lord, I am so glad that you keep on eye on your people and still watch over your nation. Please keep protecting them. In Jesus name. Amen.

Me, too, Lord. It's so wonderful that you really care for your people and never forget about them. I also ask you to keep them protected as well. In Jesus name. Amen.
