New Study For  
Living Above and Beyond  
"Building Up Our Protection Plan"

This study doesn't sound fun. I'm a girl. I like to get pretty and not dirty. I don't want to build something.

Me either, Polly. I would rather play football or a video game.

Not me, I really want to build something cool.

Hold on gang. This study isn't about building something cool and we shouldn't ignore it either. It's about protecting our surroundings with the word of God and it comes from 2 Chronicles 14:7 "Therefore he said unto Judah, Let us build these cities, and make about them walls, and towers, gates, and bars, while the land is yet before us; because we have sought the LORD our God, we have sought him, and he hath given us rest on every side. So they built and prospered."

This study is more like the "Armour Of God" study we did. Instead of putting on the armor to protect us. We're now going to protect all of our property with each of those items that were mentioned in 2 Chronicles 14:7.

That's a good idea Polly. We did learn a lot about the "Amour of God" when we did that study. That study was not only cool, but was a good study for us then. So, this new study should be the same way for us as well.

Oh, then maybe we should do this study, after all, Flipster.

Oh, that's right Hairdo. God talks about taking us to his promise land that he has for us. Numbers 14:8 "If the LORD delight in us, then he will bring us into this land, and give it us; a land which floweth with milk and honey."

That's right Bravery. God will supply all are needs; Philipians 4:19 "But my God shall supply all your need according to his riches in glory by Christ Jesus."

Oh, wow! It makes me feel so good that we have a God who really loves us, Hairdo.

What a joy. This also reminds me what Jesus said in Matthew 6:25 "Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?"

There's nothing better than a God who cares about you and me.

Lord, thank you for preparing a place that we can be safe in; no matter what is going on around us. Please prepare our hearts to get more understanding of all the items that we need to build in the next number of teachings. In Jesus name. Amen.

Yes, Lord thank you for changing my heart to join this study. In Jesus name. Amen.

Me too Lord. I want to join in on this adventure. So, I can protect the things I like. Thank you Lord. In Jesus name. Amen.

Lord, it may be cool to build something awesome, but your protection is a whole lot better to have. Thank you for this series in protecting what is ours that you have given us. In Jesus name. Amen.
