The Bars? What does bars have to do with this study? It certainly must have a good meaning behind it.

The Bars"

I think so, Suki. The picture behind the bars looks scary, too.

Gang you're on the right track. Yes, the bars are something important about our safety and this is our last defense system in this verse to get into that quiet and restful place we're looking for. Those joining in this lesson, this comes from 2 Chronicles 14:7.

It's another way the Lord can protect us from harm before entering into it. First, by looking out a window to see if any danger is present, then decide whether to go outside or not. Here in this picture, it's about the weather. There could be more dangerous situations happening outside besides the weather. The bars will help keep the danger outside, too. Think about 2 Timothy 4:18 "And the Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom: to whom be glory for ever and ever. Amen."

Wow! Now that's what I call a good idea, to make sure we're protected.

I get it now. It's like looking both ways before we cross the street, so no cars might hit us.

That's a good way to say it, Flipster. I think about Nahum 1:7 "The LORD is good, a strong hold in the day of trouble; and he knoweth them that trust in him." The Lord is really wanting us to pay attention to our surroundings and this means everyday.

Oh, my this gives me so much joy knowing that I'm in his protection from the start.

Yeah, me too. It's so awesome to know that he cares that much for us.

There's another scripture I'd like to mention and that is Psalms 16:1 "Preserve me, O God: for in thee do I put my trust." Now, I believe we should pray this over us on a daily basis before going anywhere.

The one thing that the Lord doesn't want is for us to be afraid of going outside. He did create each day to be a good and safe day for us, but we know that trouble can come up anytime of the day. Just remember he is there for us. Psalms 138:7 "Though I walk in the midst of trouble, thou wilt revive me: thou shalt stretch forth thine hand and against the wrath of mine enemies, and thy right hand shall save me." All we have to do is keep close to him.
